

# MOOREBANK HIGH SCHOOL

## CONTRIBUTIONS and COURSE FEES 2024

The General School Contribution covers the cost of supplying equipment and resources not available from government funds. These include library books and resources, worksheets, copying paper, sporting equipment and the large amount of stationery used by the school (exam papers, academic reports and so forth).

Parents who are unable to make the general school contribution will be granted an exemption on request from the Principal. Such applications are treated in the strictest confidence.

The school has EFTPOS/Credit Card facilities to assist parents in the payment of accounts, students may pay in person 8.30 am - 8.40am or at recess or lunchtime. Payments can also be made via the school website under "Make A Payment".
