

Dear Parents, Carers and Students,

Attached to this email are three documents.

- PowerPoint for parents outlining the timetable structure for Years 7 – 10 and Years 11 – 12. It also explains when and where students can access their timetables and the playground area restrictions.
- The Year 11 Timetable with bell times and rooming (this is also available for students on their Wellbeing Google Classroom).
- The Year 12 Timetable with bell times and rooming (this is also available for students on their Wellbeing Google Classroom).

I hope this alleviates some of the questions that you may have had particularly in regards to students and line structures for seniors.

Tomorrow morning, I will email across to all parents, carers and students a copy of the “Phase 1: Returning to Moorebank High School Student Handbook Q&A”. I need to give it a final check over tonight and I am hoping that all your questions will be answered via this document.

Kind regards

Vally Grego

Principal
